Kenneth

Kellie,

There is a good friend I
knew since I can remember
I guess now. Remember
all our great times!
Brian! Ugh!! Good luck
in everything & with
Chris! And the Gettysburg
attitude sticks!

Love,
Brian
Chris

Love ya,
Dad

Kellie
I'm a real good friend of mine.
I know that was a time
when we thought that
would never happen.
I'm glad we let go of those
days. Dad says I'm just
kidding. I know you might
think that a lot of people
don't understand you and
knowing you, you probably
don't care, but I do. You
are different and unique. In
some ways this is good. But
don't go too far on your own.
Try to keep a straight head. I
Best of luck w/ Chris! Thanks
for listening when we talked.
I'm glad you had some classes
together. Have a good summer
and hope to see you there!

Love,
Diana

Kellie,

I hope this space wasn't saved because well... it's too late! Anywho...

What can I say?? We've been friends for years and we've been through everything possible.

Never forget all of the fun we've had. I hope that in our last year we really raise some hell and have loads of fun (I know we will!)

If you ever need some body... you know I'm here.

You better keep in touch over the summer or I'll come looking for you (HA)

Good luck in everything. Don't EVER let anyone push you around (I know better) or drag you down! God Bless.

L.T.G.T.R.

(I know they will)

Love ya,
YBF,

Ang.

Kellie,

Here is to a crazy and great friend I got the pleasure of meeting back in elementary school. Don't ever forget all the great times we had in school, everywhere else and also don't forget the time at the skating rink with someones mom. Keep up that great smile and you'll be sure to succeed in whatever you strive for in life. Keep in touch over the summer and good luck with Chris.

Love ya,
Frenda

Give me a call
when you have your
next party! ha!

It is with deepest appreciation that we, the class of '86, dedicate the Memento to Mr. Reynolds. With this dedication we wish to express our gratitude for all the effort and time that he has spent as senior class advisor to make our senior year more memorable. We also wish to thank him for the care and patience with which he dealt with us, his students. His light-hearted manner and good humor have taught us not to take ourselves too seriously. As we leave NOHS to find our places in life, we will always remember him not only as a teacher, but as a friend as well.

The 1986 Senior Class Officers

Class Color — Burgundy and Silver

Class Flower — White Rose

Class Song — "The Best of Times"

Class Motto — "Cherish yesterday, dream of tomorrow, but live for today."

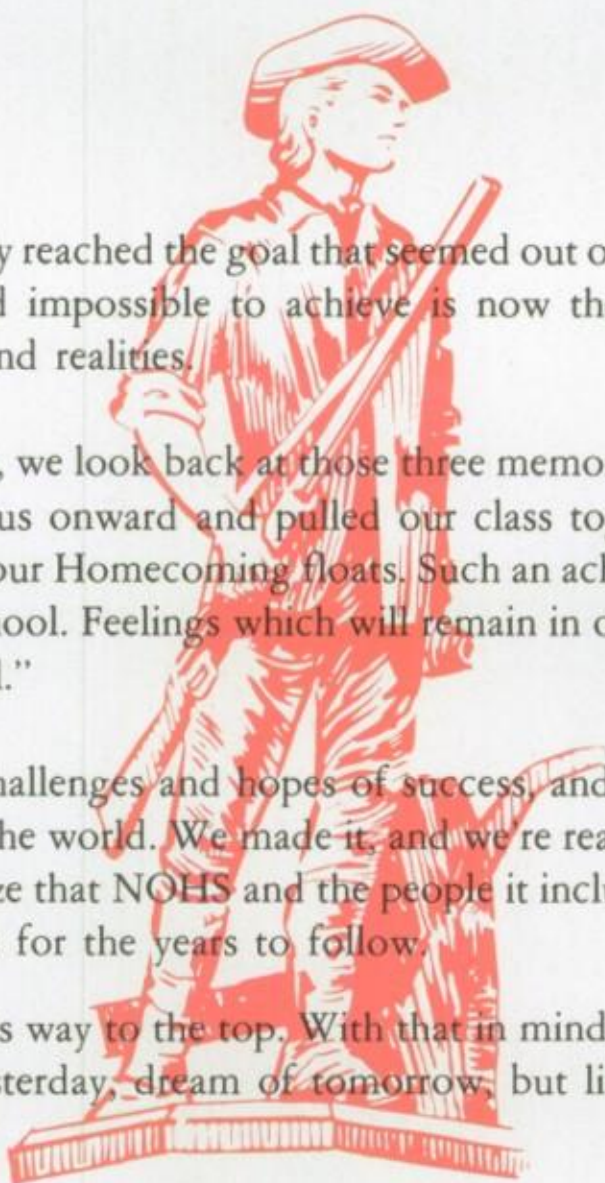

Front: Amy Hafer, Vice Pres.; Tammy Koontz, Pres.;
Back: June Weaver, Treas.; Stacey Groft, Hist.; Donna Dietrich, Sec.; Mr. Reynolds, Advisor.

We, the class of 1986, have finally reached the goal that seemed out of our reach, beyond the clouds — our graduation. What once seemed impossible to achieve is now the stepping stone into a whole new dimension of hopes, dreams, and realities.

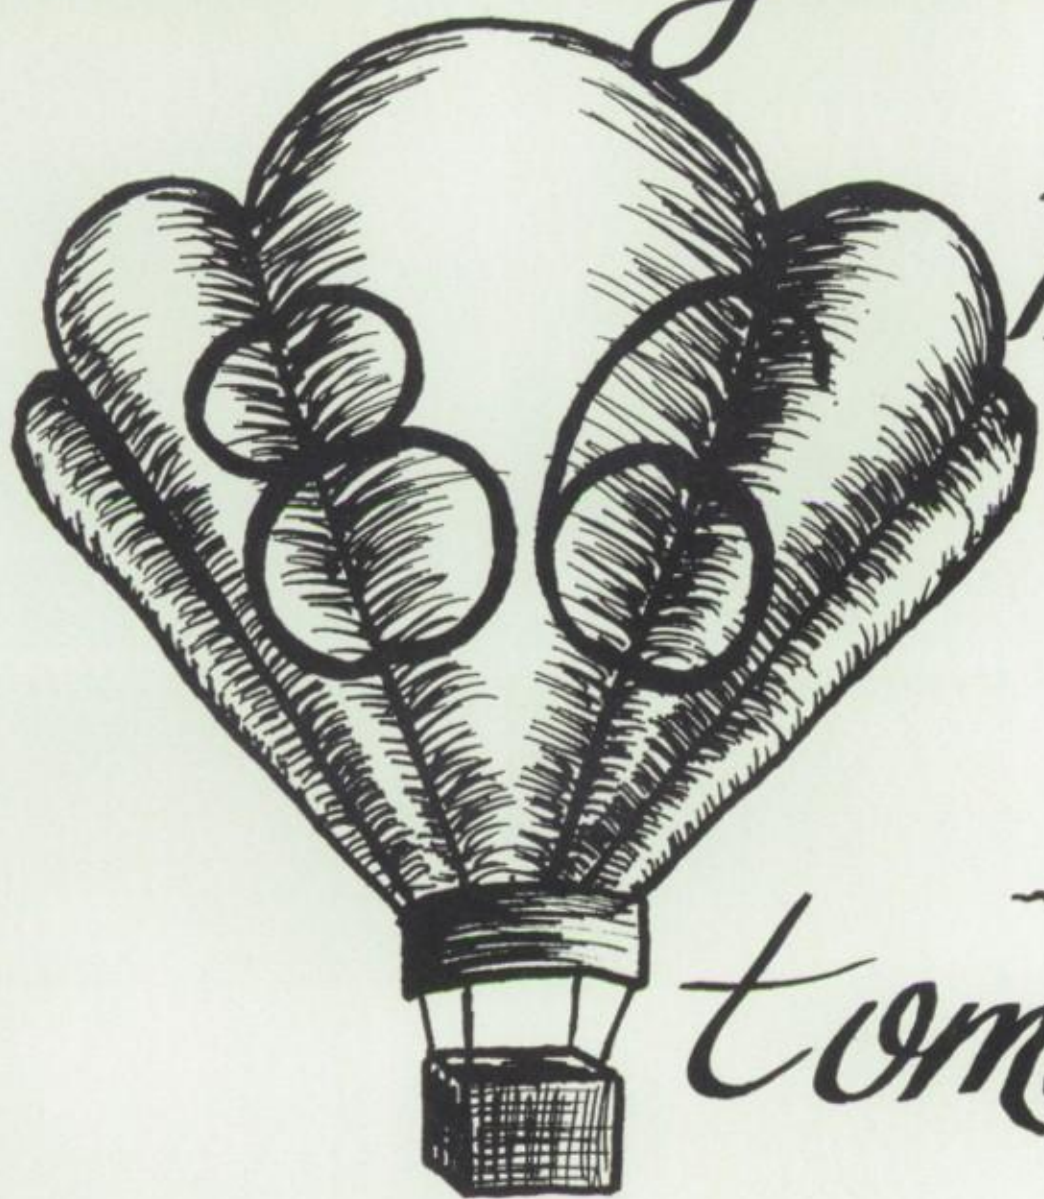

Now that graduation is upon us, we look back at those three memorable years we have shared at NOHS. The goals we reached pushed us onward and pulled our class together. Our major achievement was winning 1st place each year for our Homecoming floats. Such an achievement reflects the dedication and sincere pride we feel for our school. Feelings which will remain in our hearts and souls even as we grasp our diplomas and say "farewell."

Each year at NOHS brought challenges and hopes of success, and as graduating seniors we have now proved ourselves to the rest of the world. We made it, and we're ready to pursue our hopes, dreams, and desires. However, we must realize that NOHS and the people it includes enabled us to achieve reality. So we say thanks for preparing us for the years to follow.

The Class of 1986 has worked its way to the top. With that in mind, engraved in our hearts is the motto which inspired us: "Cherish yesterday, dream of tomorrow, but live for today."

Cherish Yesterday.

Dream

of

tomorrow.

But live for

Today ...

"School Memories"

Class of 86

As we reach out our hand
 The diploma we grasp,
 While we think of the memories
 Of the years in the past.
 Tears fill our eyes
 Because it's all gone,
 We're starting a new life,
 We have to move on.
 We hope friends will keep in touch
 As the years pass us by,
 Although it hurts inside
 We'll try not to cry.
 We think of kindergarten
 And our first day,
 Now we reached the end,
 We are going away.
 How do you say good-bye,
 To friends who mean so much?
 Will there be time,
 To sincerely keep in touch?
 You'll always have the memories
 Of your school years from day one,
 Don't think of school as ending —
 Think a new life has begun!!

The 1985 Colonial Football season opened on a high note with a 20-0 victory over Susquehannock. After an exciting 10-6 victory over the Biglerville Cannons, the Colonials' fortunes were reversed by the top league teams Waynesboro, Littlestown, and Gettysburg. Undaunted, the Colonials rallied to win four of their last five games to complete a fine 6-4 season. The ability of the '85 Colonials rally from early setbacks will be their trademark. Their determination to win will serve as an inspiration to future Colonial football teams.

The 1985 field hockey team had an enjoyable and successful season. With hard work and dedication the varsity and j.v. teams were able to complete their season with winning records (varsity 7-4-1 overall and j.v. 4-4-2 overall). The varsity team finished second in the BML and earned their way to the second round of District III playoffs by defeating Cocalico. The team will long remember their sudden victory win in the one on one overtime shootout against Cocalico.

With the number of runners increasing at a startling rate, the popularity of cross-country is easy to confirm. Cross-country is a type of long-distance racing. Distances and terrains vary for each course. This year's boys' team, young and inexperienced, finished with a respectable 7-8 record. Letter winners included one senior, three juniors, and four sophomores. Our girls' cross-country team was unfortunate in that they did not have a full team. Individually they set goals of their own and strived to reach them throughout the season. They concentrated on self-achievement rather than team competition.

The 1985 volleyball team worked hard and was complimented by many. Led by team captains Buffy Wentz and Kathy McKonley, the girls strived to better themselves. Playing for her first season, senior Amy Hafer led the team as high scorer. Over all the team developed well and a strong group of sophomores gives NOHS volleyball an optimistic future.

BASKETBALL

The 1985 season was considered a very successful one. After a slow start of 2-6 the team won twelve of the next fifteen games to finish 14-9. Larry Rife and Scott Wolf led the team in scoring, while Rob Gebhart led the team with rebounds. Although injury and sickness hurt the team in three of the nine losses, each player worked hard all season to make it an enjoyable one.

Blue Mountain League Champions. For the second year in a row, the Lady Colonials have just that — won the Blue Mountain League. They won it with aggressive defense, unselfish team play, and a burning desire to prove they were the best.

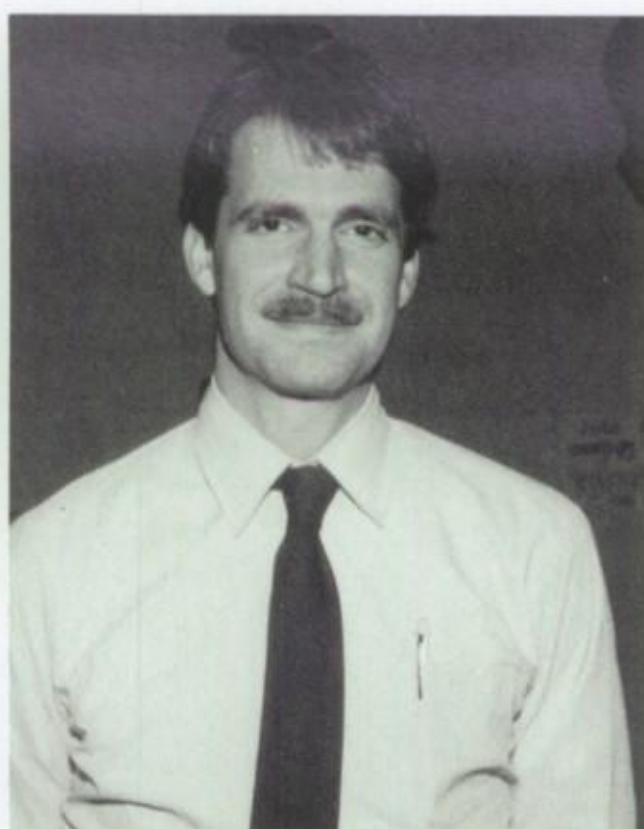

This team consisted of winners who met challenges and defeated them; the team set goals and accomplished them. Their school spirit, leadership, and sense of purpose are traits that should make New Oxford High School proud.

This year's Wrestling Team consisted of five returning lettermen, with the majority being young, hard-working, but inexperienced wrestlers. Taking this into consideration, the season was not viewed as a complete loss.

CHESS TEAM

The chess team was organized to develop a competitive activity which could showcase individual reasoning and logical skills. The team participates in the South Central Pennsylvania Chess League. This year the team endured a learning experience, next year they should be teaching a few lessons.
